

### Can this school meet my child's needs?

We consider every child's needs on an individual basis.

Clear assessment procedures allow us to match interventions and strategies to meet the child's needs. Termly support plans identify the child's strengths and areas to develop and the class teacher works closely with the parent.

Further advice is available from a range of professionals including the Speech and Language Therapy service, School Nurse, The County Inclusive Resource (Autistic Spectrum Disorders). We have access to a school counsellor and the pastoral support team can access a range of additional support through the Early Help Team who can be contacted on Tel: 01502 674747

### Where else can I find support and information?

Suffolk Local offer -

<http://infolink.suffolk.gov.uk/kb5/suffolk/infolink/home.page>

SENDias (information and advice service) **01473 265210** [sendiass@suffolk.gov.uk](mailto:sendiass@suffolk.gov.uk)

Contact a family (support service)

<http://www.cafamily.org.uk/advice-and-support/in-your-area/offices/east-of-england/>

Contact the school's SEND Team or Pastoral Team
