

PE Premium Impact Report 2016-17

These were the areas that we identified in which to use the PE Premium money:

Staff Training and Teaching Resources (£3100 allocated approx £2500 used)

- bringing in experienced coaches to work alongside teachers.
 - sending staff on courses / purchasing resources to enhance confidence and knowledge in the teaching of PE.
- Lowestoft Cricket Club have been supporting the teaching of cricket in Key Stage 2.
 - Ollie Winram has worked closely with class teachers within lessons to develop the teaching of PE.
 - Teachers were audited for areas they wish training in and training was then arranged.

Impacts

- Val Sabin schemes of work being used and developed by teachers. The schemes/plans are accessible and easy to follow.
- SR trialled using the Val Sabin assessment PE. The assessment tracks the child's skills development from Reception to Year 2
- Lowestoft Cricket Club coach worked alongside teaching staff to deliver Cricket lessons (working with years 3 - 6)
- OW able to work alongside teachers to cascade skills from courses. Teachers also took part in some of the activities learnt from the course on a PD Day.
- Teachers who have been on the training courses have used the materials and training when teaching lessons.

Gymnastics - LH (only one person attended instead of two budgeted for)

Dance - EH

Games - SR

Active kids - NB

Athletics - OW (Course was cancelled)

Positive Play - OW (OW to cascade the information to MDSA's)

Tri-Golf - OW

Outstanding PE - SR

Opportunities for competitions and out of school hours sporting activities

(£2800 allocated)

- Funding transport to and from competitions
- Attend partnership tournaments
- Attend Reach2 tournaments
- After school fixtures.
- Staffing (cover for OW / SR when taking the children to tournaments + any additional staff needed)

- Transport was needed to attend several tournaments.
- Breakfast clubs
- Fixtures have been arranged every other week throughout the year with St Margarets

Impacts

- Varied range of sports taken part in by children in lessons and clubs - Matball, Uni-hoc, Skittleball, Badminton, Goalball, Football, Quicksticks, Basketball, Volleyball, Tag Rugby, Netball, Cricket, Rounders, Tennis, Gymnastics, Yoga, Dance, Speed stacking, Handball, Athletics, Swimming.
- Children from Year 2 to 6 took part in tournaments.
- We took part in tournaments arranged by both Reach2 and the SSP.
- Some tournaments 2 teams were entered instead of 1 to involve more children.
- Success in local tournament led to attending Reach2 finals at Framlingham college.
- More children have been able to represent the school in sport with the regular fixtures with St Margarets.
- Each club we have had more responses than places.
- We have tried to give everyone a place at the clubs by either splitting the group in 2 and running the clubs for 3 weeks apiece or by employing a LSA to assist the coach for the sessions.
- More children attending Community Clubs after being introduced to the Sports in School - this is very evident with cricket as several children have joined after attending the club or lesson in school.

PE Premium Impact Report 2016-17

- 3/4 clubs a week were ran throughout the year. One day was kept clear for fixtures.
- More Team Northfield shirts were purchased. These were worn for tournaments, fixtures and by Sports Leaders helping out on Sports Day.
- MDSA's used to cover staffing needed for tournaments and fixtures.
