Dear Parent/Carer,

Conduct on School Premises

It is vitally important that we set high expectations to the children of how to behave and I would really like us to work together in improving conduct when you and your children are on the school site or in the vicinity. Ultimately, we want the absolute best for your children, we are a proud school.

On behalf of the Governing Body and Reach2 Academy Trust we encourage positive and calm communication between all members of the school community and its stakeholders. We are writing with a polite reminder, that we at Northfield St Nicholas take a zero tolerance stance against inappropriate verbal and non-verbal conduct on site. This includes swearing and abusive language, shouting, not maintaining safe distances and spaces, using negative or offensive body language and inappropriate tone and conduct towards adults and children.

Please support us by showing the children we have respect for ourselves and each other. This will re-enforce the fact that through effective modelling, the children learn how to behave and conduct themselves; ultimately this means that the Academy will not have to enforce the policy on conduct.

*Thank you for your continued support with making Northfield a safer place; **together** we raise standards!*

Yours sincerely,

Mrs T. Freeman
Deputy Headteacher
