Thursday 19th March 2020

Dear Parent/Carer

Following the announcement yesterday that schools will close on Friday 20th March for an indefinite period for most pupils it would be helpful for us to begin to get an understanding of which of our parents/carers might fall into the category of a 'key worker'.

If you think you might need to use the school as child care during normal school operating hours and fall into this category of 'a key worker' then please could you contact the school office asap letting us know your occupation, who your school aged child is and whether you would intend to use the facility on a daily basis, during term time so we can begin to collate the information we will need to share with the Department for Education.

We are still waiting for clarification from the government as to an exact definition of 'key workers' but would imagine it might include the following:

- NHS staff
- Police Officers
- Firefighters
- Food delivery drivers
- Armed Forces
- Prison officers / some prison staff

We are also still awaiting clarification as to which educational sites might be used and how the provision might operate and will be in touch as soon as this is made clear.

[include office email/phone etc]

We appreciate your support.

Mr I.W.Owens
