Dear Parent/Carer

The Prime Minister's announcement Monday night was a simple instruction that "you must stay at home". We reiterate that the school is now operating as a child care facility only, with streamlined staffing to support:

- Critical Key Workers who are unable to provide their own safe childcare for their children whilst attending to their essential frontline duties in the fight against this virus
- Those children who fall within a vulnerable group with social care interventions and/ or EHCP plans.

If you are working as a Critical Key Worker please DO NOT bring your child to school if other safe childcare arrangements are available to you.

All parents and carers, please DO NOT visit the school to collect home learning packs as all materials are now available from the school's website.

Thank you for your understanding and compliance at this time.

Yours sincerely,

Mr. I.W.Owens
