Dear Parent/Carer,

Following the statement by the government overnight, we urgently need to clarify which pupils we will need to provide *essential* child care for over the coming weeks.

Please ensure that you inform us immediately if your job is defined as 'a critical worker'. This must be combined with the principle that you are not able to keep your child at home because you are at work in your critical role and there is no one else in your family who can safely provide child care.

Schools have been told to remain open **ONLY** for those children who **ABSOLUTELY NEED TO ATTEND**.

Parents of children who have EHCP or who have a named Social care worker should contact school for urgent guidance.

It is only by working together - by staying away, wherever possible, can we all do our part in combating this serious illness.

Yours sincerely

Mr I.W.Owens
