Friday 3rd April 2020

Dear Parent/Carer,

We are now able to provide more detail regarding the introduction of the Government's FSM Voucher Scheme. This follows our previous correspondence relating to the provision of Free School Meals (FSM) during the Government's transition of schools as teaching and learning establishments to childcare facilities as a part of the Covid19 social distancing measures.

Anyone who has a child who is entitled to benefits-related FSM and who is registered as such with the school will begin to receive a weekly £15 voucher per child. This will be emailed to the address that the school holds for each child's primary carer. This will start from Monday 6th April. The email will have clear instructions of how these vouchers are redeemed and how they can be used at most leading supermarkets. We will also be posting a FAQ sheet on our website.

If you feel that you should have received a FSM voucher and have not done so, then please email the school on fsm@nsnacademy.com and we will be able to help you.

For those children attending the school for childcare, packed lunches will still be available. If you require a school packed lunch, please inform us when booking your childcare through childcare@nsnacademy.com.

Yours sincerely,

Mr. I. W. Owens
Headteacher
