

Can you complete some of our home learning challenges in your learning journal at home?

- Write a noun for every letter of the alphabet.
- If you could be anyone in the world, who would you be and why?
- Write a set of instructions for washing your hands. Don't forget to use key features of an instruction text.
- If you had 3 wishes, what would they be?
- Create a setting for a story – write sentences to describe it. Try to use Alan Peat sentences to make your writing more exciting e.g. 2A, alliteration, similes, adverbs.
- Write a poem about flowers. Start each line with “Flowers are...”
- Draw your favourite book character. Label them with WOW words (adjectives) can you use 2A sentences to describe the character?
- Make a street scene using 2D shapes. Can you name the 2D shapes you have used?
- How many ways can you make 20p?
- Watch number blocks at <https://www.bbc.co.uk/cbeebies/shows/numberblocks>
- Follow a recipe and weigh the ingredients using scales.
- Collect data on your family member's favourite colours. Can you create a tally chart and show your results in a graph?
- Choose 5 numbers – how many addition and subtraction number sentences can you make using them?
- Make a list of things that are taller and shorter than you around the house.
- How many ways can you make 10/20/100 using 2 numbers?

- Go on TTRockstars and Numbots.
- Learn to tie shoe laces.
- Teach your children how to tell the time.
- Follow a recipe and weigh the ingredients using scales.
- Collect data on your family member's favourite colours. Can you create a tally chart and show your results in a graph?
- Make a list of things that are taller and shorter than you around the house.
