Childcare Booking Arrangements - Key Worker/ Vulnerable Groups

Dear Parents and Carers

With the return of Year 6 children to school from the 8th June, and the planned return of Year 1 from the 15th and Reception from the 22nd, we want to be clear that the schools' current childcare facility will still operate for key worker/vulnerable groups who have been using this.

It will become a mixed aged class-bubble with its own dedicated teacher and support staff and will not be staffed on the rota basis as it has been. This will bring it into line with the new 'class-bubbles' that the government has requested schools create in order to facilitate a wider opening of schools to more pupils.

This change creates a new mixed age "Childcare" class-bubble. As a new 'class' it has a limited capacity for numbers of children who form the class (max 15). Rather than regularly booking your childcare place, we just need to know whether you want your child to take up a place within this new Childcare class. To do so please email childcare@nsnacademy.com by noon on Monday 8th June.

Securing a place then gives flexibility in terms of when your child uses their place and avoids having to book specific dates - their place is ready to be used when required. However, this does mean that those who have decided not to secure a place cannot be accommodated at short notice and will unfortunately be turned away and we reserve the right to withdraw provision for places allocated but not regularly used.

Yours sincerely,

Mr I W Owens, Head teacher

LOOK SMART, THINK SMART, BE SMART.

The Northfield St Nicholas way !
