Black shorts.

Trainers for outside PE (colour not important)

Black socks.

No jewellery for P.E.

Hair tied back.

Plain black jumper (no hoodies) and plain black tracksuit bottoms (small detail not a problem).

## Covid 19 Safety

During Covid 19 protocols we are sadly unable to loan garments out. The school wish to work with home setting and the school will make reasonable allowances to give grown ups time to purchase PE kit. In the meantime, we ask that grown-ups provide suitable garments for PE activities.

Please do encourage your child(ren) to attend with a full water bottle and KS2 should attend with a healthy snack (KS1 provided) Thank you for working with the school—it is appreciated!

Thank you for taking pride in your school uniform!  
Time for Change!!

School uniform provides consistency and a sense of belonging for all children in all year groups and significantly reduces bullying. Please can you note that there are two sets of uniform: Uniform 1 and Uniform 2—we support any child and their choice to pick one set of uniform and wear this in school. With your help we would like your high standards of appearance to continue -we hope that these guidelines prove helpful. For your information autumn term school uniform can be purchased either in store or on-line from local supermarkets. If you are having financial difficulties organising uniform we are happy to support you and your child, please contact the school office or the Pastoral Team for advice.
