Dear Parent/Carer

Remote Learning

As you are aware there have been and will continue to be times where children are having to self-isolate at home. Where this is the case we will provide remote learning that they can do at home via Google Classrooms. Our Year 2 and 6 children have been using this this week and we have received some very positive feedback from children and parents.

Class teachers in Years 1, 3, 4 and 5 will be teaching the children how to use Google Classrooms so they will be familiar with this should there be an occasion where individual or year group bubbles need to self-isolate. Where families are not able to access Goggle Classrooms we can provide work in paper form.

Remote learning via Google Classrooms for individual children who are having to self- isolate (i.e. not in Year 2 or 6), will be available from Monday 12th October. We will continue to use Tapestry for remote learning for children in Nursery and Reception.

We have attached a guide for you on what you can expect from us in terms of Remote Learning. If you have any further questions now or in the future about remote learning please do email us at remotelearning@nsnacademy.com

Thank you for your continued support during these challenging times.

Yours

J Catchpole

Mrs J Catchpole

Deputy Headteacher
