	Planned actions	Sustainability and suggested next steps		
1	North Suffolk Sports and Health Partnership REAch2 EA Sports Partnership	£900 £595 NSSHP R2EASP LBPSSA	Contributions to these partnerships will allow the children to have access to a greater number of fixtures and tournaments, which allow further opportunities to represent school. By investing in the stated partnerships, staff can access further CPD which will improve confidence when teaching high standard PE. Currently, some events will be virtual and take place in school (due to covid-19).	Percentage of children who have participated in school events have improved. To ensure more children are being physically active. Children develop learning through the psychomotor, affective and cognitive domain.
2	Sports day awards	£200	To provide the children with rewards / mementos for their participation in sports days. Due to covid, sports day will be attended by children and staff only. Each year group to have a day or afternoon. Results to be posted on Facebook for parents to see.	Rewards will promote sport within the school and give children a sense of achievement. Encourage participation of more physical activity.

3	Transport for competitions and events. Summer term only due to Covid restrictions. Plus extra staff member to accompany children to meet ration requirements	£1,100	Usual spending is £2500 for transport and £800 for extra staff member. Due to covid, this will be needed for just one third of the year this academic year
