

SENCO Newsletter
Summer Term 2020-2021

Welcome back!

I hope you and your child(ren) have had a wonderful Easter and are looking forward to the summer term.

Last term we welcomed the designated SEND governor and parents to help develop the **SEND Information Report**. It was great to hear feedback on how the design can be more user friendly. This can be found on the SEND Section of our website. If you have any further feedback then please do not hesitate to get in touch.

Week commencing **Monday 19th April** I will be sending out a short parent survey to gain your views and perspectives. This will be emailed out to you and it would be really beneficial if you could kindly take the time to complete.

Thank you so much to those parents who booked a transition appointment about moving on to high school. This term we will be working with the high schools to develop a transition plan which includes yours and your child's views. If you have anything further you would like to discuss then please get in touch.

Thank you for your continued support.

Miss Higgins
