Deputy Headteacher: Mrs. T. Freeman

Friday 14th May 2021

Dear Parent/Carer

In line with the new guidance issued by the Government, from Monday 17th May 2021, we will no longer need to request that visitors wear a face covering on our site outside.

Staff will no longer be required to wear face coverings in the classrooms (but will need to in communal areas such as corridors).

We will need to request that visitors **continue to follow the other COVID19 safety rules we have in place until further guidance is updated by the Department for Education (DfE)**. This includes following the rules in place for collecting and dropping off pupils, maintaining a 2m distance and following the one way systems currently in place.

Class bubbles are still required in school settings as well as all the other systems currently in place to keep children safe during this COVID19 pandemic, even though other restrictions in the wider community have been eased. This is in line with DfE guidance.

As soon as these restrictions can be lifted we will be sure to communicate this with you.

Many thanks for your continued support during these challenging times and hopefully an end to the restrictions is soon to be announced in line with the current roadmap.

Yours sincerely,

Mr I.W. Owens
Headteacher
