Monday 10th January 2022

Dear Parent/Carer,

Learning at home

As you are aware there have been and will continue to be times where children are having to self-isolate at home. Where this is the case we will continue to provide remote home learning that they can do at home.

We have moved the online provision from Google Classrooms to Microsoft Teams and class teachers in KS1 & 2 will be teaching the children how to use Microsoft Teams so they will be familiar with this should there be an occasion where year groups need to self-isolate and learn from home. Where families are not able to access Microsoft Teams we can provide work in paper form.

We will continue to use Tapestry for remote learning for children in Nursery and Reception.

We have attached a guide for you on how to access Microsoft Teams, however should you have any further questions please speak to your child's class teacher.

Thank you for your continued support during these challenging times.

Yours sincerely

Mrs J Catchpole

Deputy Headteacher
