

## PARENTS' COFFEE MORNING

My name is Mrs Leech and I have joined the safeguarding and inclusion team. Part of my job role is to offer early help and support for pupils and their families. I will be holding regular coffee mornings to promote what we can offer and I will be on the gate each morning if you have any queries or are unable to attend this event. Alternatively, you can contact the school office and leave a message and I will contact you as soon as possible.

Would you like to find out more about **what financial help** may be available to help lower income families with household bills? 

Are you struggling to meet household costs and **would like some help** with household or personal hygiene items? 

Would you like a **listening ear service** to support you as a parent/carer? 

Would you like to know **what help we offer** with purchasing school uniforms? 

Do you know **of any services available to support families** who are struggling at the moment **that you could share** with other parents? 

**If the answer is yes to any of the above, then join our coffee morning on Tuesday 1 March 2022 between 9 and 10am. Due to covid restrictions this will be held virtually. To book your space and receive a zoom link, please email the office at: [office@nsnacademy.com](mailto:office@nsnacademy.com)**
