Friday 11th March 2022

Dear Parents / Carers,

Home Learning

We have recently reviewed our home learning provision in response to parental feedback. As a result, the children will be receiving some additional learning to complete at home. These learning tasks will be an opportunity for the children to practise learning that has already taken place in school.

Please see the table overleaf which details what home learning will be provided for each year group. Home learning will be given out on a Friday to be returned by the following Friday. Class teachers will provide feedback and then the completed work will be sent home again so parents can see how their child has got on with this.

Please speak to your child's class teacher in the first instance if you have any questions regarding home learning.

Thank you for your ongoing support and should you have any further questions please do let us know.

Yours sincerely

Mrs J Catchpole

Deputy Headteacher

LOOK SMART, THINK SMART, BE SMART.
