Dear Parent/Carer,

Following our Online Safety Day pupils have discussed how to keep themselves safe online. Your child has discussed that they may have had access to an App or online game which is not deemed age appropriate.

We would like to share with you the following website which can provide you with the most up to date information in regards to age appropriate TV shows, games, movies, Apps and Games to ensure that you can make an informed choice regarding what your child has access to at home. Please see link:

<https://www.commonsemmedia.org/>

Please be reassured we also work alongside you to promote Online Safety through our RSE, Computing and Safeguarding curriculum to develop your child's skills in keeping themselves safe online.

If you would like to discuss Online Safety or seek further advice then please speak to our Online Safety Lead, Mr Connolly or Designated Safeguarding Lead, Miss Higgins.

Kind Regards

Lindsay Higgins
