Friday 25<sup>th</sup> March 2022

Dear Parents and Carers,

On Thursday 7<sup>th</sup> April 2022, Northfield ST Nicholas will be celebrating British Science Week. Children across the school will be learning about a famous scientist. They will be working scientifically and carrying out an investigation, using ice.

As part of our ASUPERHERO curriculum, we hope to help children find things that interest them and that they ASPIRE to be as a grown up. We would like to invite the children to dress up as a scientist or a job they may aspire to have, that uses science.

Here are some simple ideas-

- A grown up's old white shirt would make a great lab coat
- Be a vet – wear normal clothes and bring a cuddly animal
- Be a zoologist – bring a toy zoo animal
- Be a doctor – bring a doctor's kit
- Be a geologist – bring a rock you find on the beach
- Be a midwife- bring a baby doll
- Be an engineer - wear bright clothes to resemble high visibility clothes
- Be a nurse – dress all in blue/white

We hope children will enjoy this unforgettable day.

Yours sincerely,

Ms Chillman and Miss Stone  
Science Leads
