- I like stationery and have lots of different pens.

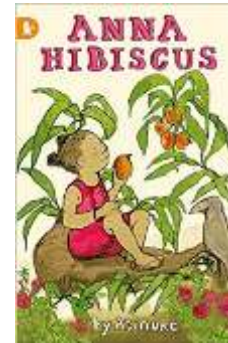

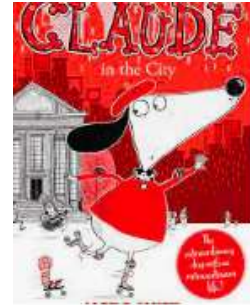

What would you like your class name to be?

The Flamingo class **or** The Anaconda class

Next year we will be reading...

This is the Key Stage 1 corridor that we share with Year 2.

Your class is on the right-hand side.

These are your class pegs.

This is where you will hang your coats and bags at the start of each school day.

This is your classroom!

This is where we will do lots of exciting and engaging learning.

Here are the Year 1 toilets where you will also be able to wash your hands!

We choose our reading books in the activity area.

We can choose a book to take home and read with a grown-up to help our phonics improve. We will also visit the library each week to take a book home to read for pleasure.

Here is the courtyard where we will spend our playtimes.
