Friday 30th September 2022

Dear Parents/Carers,

We are excited to announce an unforgettable maths themed event on **Thursday 6th October 2022**.

To celebrate the relaunch of Times Table Rockstars, we would like all the children to come dressed as their Timestable Rockstars avatar. There will be prizes for the best dressed rockstars as well as opportunities to take part in the whole school competitions that day.

It is also census day at our school. Our wonderful catering department are creating a special themed menu for the day. We need as many of you as possible to have school dinner on that day as every child who has a school dinner that day is counted. Please support us by choosing our special menu, details to follow.

To make the day extra special all the teachers have planned exciting problem-solving maths activities in their classrooms which will start straight after school and end at 5.00pm.

We would love to see as many parents as possible bring their child and join them for these exciting maths games. Grown ups can even dress up as rockstars too if they want to!

LOOK SMART, THINK SMART, BE SMART.

Deputy Headteacher: Mrs. J. Catchpole

Remember if you have PE that day, including swimming, these will still go ahead as normal, so you need to make sure that the clothes you wear are suitable for these activities. Footwear is especially important.

There is no need to go out and buy expensive costumes. Remember rock stars wear all sorts of things. Here are some pictures to help you decide what clothes to wear:
