

SENCO Newsletter

Academic Year 2023-24

Welcome back!

Happy New Year to you all!

Thank you so much to those parents who attended our SEND Forums last term. Feedback was really positive and it was great to meet High School SENCO's and members of the Nursing Team to learn about their service. I also hope you found discussing and updating the SEND Information Report a useful process.

This half term we can look forward to the following; learning about THRIVE and taking home your own THIRVE activity pack, meeting someone from the DIANES services and welcoming Mrs Howgate to learn about online safety.

Please be reminded that if you have any queries or would like to discuss your child's provision then please speak to your class teacher in the first instance. You are always welcome to make an appointment with myself or come find me on the gate duty Monday, Tuesday or Thursday afternoons or via a SENCO Surgery appointment.

Activities Unlimited is part of Suffolk County Council. We give grants to activity providers around the county, to enable them to put on high quality, inclusive groups, clubs and activities for children and young people with additional needs and disabilities. We believe that children and young people with SEND should have access to the same opportunities as their peers without additional

needs. <https://www.suffolklocaloffer.org.uk/short-breaks-and-leisure-activities/activities-unlimited>
